- \*These settings will appear to other eKey users. XpressKeys do not have the capability to display this additional information

## **LOCKBOX HOURS**

DURING Daylight Savings Time  
7:45 a.m.— 10:00 p.m.

When Daylight Savings Time ends  
6:45 p.m.— 9:00 p.m.

**New keys are issued by appointment\* only!**

**Please call Kelly Van Pelt at 501-224-3339 for more  
information or to schedule a key appointment!**

\*CARMLS reserves the right, based on class schedules and staff availability, a member who shows up without an appointment to request that member make a scheduled appointment.

# Your Two Key Choices 2017

**XpressKey**  
**(\$246.84 plus tax annually )**  
**\$60 One time Activation Fee**  
**\$29.95 Yearly Insurance**

Insurance is HIGHLY recommended at \$25/annually.  
Replacement cost for Active Key without insurance is **\$249.00**.

## PROS:

- Easy to Use
- Updates Automatically via Cell Phone Towers (does NOT use minutes or data from your personal or business cellular plan)
- Read BT LE (find the last 10 agents who showed your property)
- Built-in flashlight & backlight
- Loss/Theft/Damage Insurance (\$29.95/annually) protects your investment from—with insurance, you would receive a new key at no charge to you
- Ability to change BT LE access hours from pre-set business hours to 24 hour access (Hours are 7:45 a.m.—10 p.m. during Daylight Savings Time; 6:45—9 p.m. off DST)

## CONS

- Separate device
- Battery can drain rapidly  
Requires charging every night
- If left uncharged or unused for a period of time, the key may become unusable and need replacing
- View activity reports via SupraWEB versus generating the information on your Smartphone
- No access to listing data unless you also have a cellular phone with data capabilities
- Annual lease due to Supra by February 7th of each year
- Heat Sensitive—use caution during summer months leaving device in vehicle
